# TITAN CASTING RODS

All Titan casting rods feature custom designed high quality "fast action" graphite blanks, AAA cork grips, Zircon insert / TiCH coated stainless guides, Fuji exposed reel seat, and aluminum butt box. As with all Titan rods, guide spacings have been strategically designed to allow the rod to be broken down into two aligned sections.

- TTCT4110 11'0" Power 4 Casting
- TTCT4106 10'6" Power 4 Casting
- TTCT3106 10'6" Power 3 Casting
- TTCT2106 10'6" Power 2 Casting

Zircon Insert / TiCH Coated Stainless Guides

**Casting Rods: \$239.00**

# TITAN SALTWATER RODS

The Titan saltwater series has been designed with features specific to our British Columbia fishery. Custom designed high quality graphite blanks are at home in both downrigger fishing as well as "old school" power mooching. In addition to AAA cork, Titan SA rods incorporate super tough rubberized cork above and below the reel seat minimizing the potential for damage from popular rod holders. The guides consist of heavy duty Zircon inserts with TiCH coated full wrap-around stainless frames. Reel seat and butt box are anodized aluminum to withstand the rigors of saltwater.

- TTSA4110 11'0" Power 4 Single Action "Power Mooch" / Downrigger
- TTSA4106 10'6" Power 4 Single Action "Power Mooch" / Downrigger
- TTSA490 9'0" Power 4 Single Action "Power Mooch" / Downrigger
- TTSA3113 11'3" Power 3 Single Action "Power Mooch" / Downrigger
- TTSA3106 10'6" Power 3 Single Action "Power Mooch" / Downrigger
- TTSA2106 10'6" Power 2 Single Action "Power Mooch" / Downrigger

Tough Rubberized Cork Minimizes Damage From Rod Holders

Heavy Duty Zircon™ Inserts With TiCH Coated Full Wrap-Around Stainless Frames

**Single Action  
Saltwater Rods: \$239.00 - \$279.99**

# TITAN CENTERPIN RODS

Titan centerpin rods are available in two graphite "slower action" custom designed models. Each rod features AAA cork grips, Zircon insert / TiCH coated stainless guides, and "traditional style" aluminum butt box. In keeping with the "traditional style", both models are configured with a short rear grip, down locking skeleton seat.

- TTCP3113 11'3" Power 3 Centerpin
- TTCP2106 10'6" Power 2 Centerpin

**Centerpin Rods: \$279.00**
